

SADA Awards Criteria – Best Relationship with a Processor

The South Australian Dairyfarmers' Association presents three awards at the annual DIAA Awards Gala, to recognize the contribution and effort of farmers over the past 12 months.

The prize recipient is determined by the processors. Each processor will have the opportunity to nominate a dairy farm business which best addresses the awards criteria below.

The following criteria is considered for judging the “*Best Relationship with the Processor*” award;

Criteria

Please rate each of the following from 1 – 5. 1 being poor and 5 being excellent.

- Milk Quality
 - Does the farmer consistently produce high quality milk?
 - Other Comments

- Ease of Access
 - Is this property easy to access?
 - Is the milking shed easy to access?
 - Other Comments

- Communication
 - Does this farmer communicate well with your company?
 - Other Comments

- Approachability
